## **Introduction**

Welcome to your Jupiter Transit report.

This report shows the astrological trends influencing your life during Jupiter's transit through Scorpio, as per Vedic Astrology System. **Jupiter will be transiting through Scorpio between 11<sup>th</sup> October 2018 to 30<sup>th</sup> March 2019.**

**Although this report is based on Vedic Astrology System, Astrological house system used in this report is Placidus. Astrologers practicing Vedic Astrology system use 'Whole sign house' or 'Sign = House' system. Some Astrologers also use 'Sripati house system' whereas, some prefer 'Porphyry house system'.**

**Astro Master has intentionally used 'Placidus House System' for better accuracy purpose of Jupiter Transit Report.**

The duration of each trend is indicated by a starting date, an ending date and strongest influence date. Further, an influence may begin before the time frame of the report or end beyond it.

The accuracy of the timing of the forecasts is dependent on the accuracy of the birth time. Be prepared to slide the sequence of trends either forwards or backwards in time if necessary. In some instances, there may be interpretations that repeat themselves. This is due to the cyclical and forward and backward motion of the planets activating points on your chart more than once in the period under review.

As you will find, the forecast interpretations can be positive and/or challenging. Their effects can be experienced either directly personally or through events in the lives of others in the environment. Some trends will be more apparent than others, while others may be subtler. What is most important is how you respond to them.

### **Jupiter Transit Report**

#### **Before 11 Oct 2018 to 8 December 2018, Transiting Jupiter is passing through your 3rd House**

Roger, during this transit, your day-to-day life will seem very busy. There will be more and more people coming and going in your immediate environment. Relations with relatives and neighbours should be relatively harmonious at this time. You may be more mobile now and inclined to take more short journeys than usual. This is an excellent time for learning new things and expanding your knowledge. It is also a favourable time for writing and communicating with others.

#### **Before 11 Oct 2018 to 29 March 2019, Transiting Jupiter is passing through Scorpio**

You have the desire to experience life to the full and will pursue your goals with passion and intensity. Sometimes you can be extreme and uncompromising in your beliefs; though you probably won't admit this may be true. You tend to be fascinated with power and have the capability to exercise it over others - or vice versa. Self-indulgence and a pronounced desire for gratification can be detrimental.

#### **18 October 2018 to 28 October 2018, strongest around 23 October 2018, Transiting Jupiter is Conjunct your Natal Uranus**

Expect the unexpected with this transit, but don't presuppose that what you experience will necessarily be to your liking, because any transit involving Uranus is going to be unpredictable. Positively, this is a period in which sudden opportunities could present themselves and offer you the chance to break out of old routines and experience new things. For instance, you may have to suddenly contend with new conditions in your work, or you meet someone who influences you profoundly. Some people even have sudden financial windfalls or the chance to travel. Definitely, you will want to make

changes for the better under this influence and you should receive plenty of signals, by way of intuitive flashes, as to how to do this. Occasionally, this transit is preceded by an intense feeling of tension which suddenly releases when it becomes exact. One word of caution, you could annoy others and consequently miss good opportunities now, if you display a "bloody-minded" attitude or contradict people for the hell of it. Legal matters are best avoided now, if possible, as their outcome is difficult to predict. In fact, if conflicts of any description do arise, it is in your best interests to try and nip them in the bud, lest they become exaggerated out of all proportion.

**10 November 2018 to 19 November 2018, strongest around 15 November 2018, Transiting Jupiter is Trine your Natal Moon's North Node**

Relationships and group activities seem to be relatively free of conflict or discord during this period. You find it easy to get along with others now and any new contacts established at this time are likely to have beneficial outcomes.

**4 December 2018 to 13 December 2018, strongest around 8 December 2018, Transiting Jupiter is Opposition your Natal Midheaven**

Roger, the two areas in your life requiring attention now are your career and domestic life, with the emphasis being on the domestic life. Home and family matters are of primary importance, and if anything needs tidying up here, such as disputes within the family, this is a good time to do it. If your family life is generally harmonious, it will seem happier now and over the next several months. Regarding buying, selling or leasing property, this is one of the best periods for these activities. Equally, any improvements or repairs you want to make to your home should be dealt with now.

**4 December 2018 to 13 December 2018, strongest around 8 December 2018, Transiting Jupiter is Sextile your Natal Saturn**

Roger, this transit brings out the best of both Jupiter and Saturn. You will want to expand and grow at this time, but you will be careful in regard to how you go about it. You have good self-discipline and common sense now, coupled with strong powers of perseverance. Whatever you apply yourself to now - be it your work, buying and selling, or business activity - you will demonstrate sound judgement and a responsible and practical attitude. You seem to know how far to go and when to stop. For instance, if you are in business, you may want to expand, but you will only borrow as much money

as you can comfortably pay back. Or, if you are considering investing in a savings scheme or property, you will proceed carefully.

**8 December 2018 to Beyond 30 Mar 2019, Transiting Jupiter is passing through your 4th House**

This is one of the best periods for buying and selling real estate or for making improvements to your home. If you have the desire, or the opportunity, to change your residence, you should do so now because it will prove to be a worthwhile move. Domestic matters are well-aspected and any tensions that may exist within the family can be improved upon.

**9 December 2018 to 18 December 2018, strongest around 13 December 2018, Transiting Jupiter is Sextile your Natal Jupiter**

This should be a comparatively relaxed and harmonious period for you. And, while there is nothing wrong with taking a break from the same old grind, you will actually benefit from applying yourself to your work or some other activity now, because you will get results without too much effort. Travel, legal, business or financial matters are all well-aspected now. In general, this should be an easy and pleasant period.

**26 December 2018 to 4 January 2019, strongest around 30 December 2018, Transiting Jupiter is Square your Natal Ascendant**

During this period, your personal and professional relationships should take a noticeable turn for the better; however you will need to be adaptable with others in order to get the best results. You are more open to the influence of others now, and people will seem favourably disposed towards you. There are opportunities for joint endeavours, which will prove to be mutually beneficial in the long run.

**6 January 2019 to 16 January 2019, strongest around 11 January 2019, Transiting Jupiter is Trine your Natal Mercury**

Your thinking will be positive and optimistic. It is an excellent time for making long-term plans and decisions. Business matters should go well, because your ability to negotiate with others is easier now than at other times. Also, buying and selling, in any capacity, are well-aspected. Short trips or long-distance travel tend to be relatively free of difficulties and international contacts can be successfully established. It is also an excellent time to smooth over any communication difficulties you may have with others. This could be a good time to change jobs or apply for a new job, especially in areas related to communication, computing, language, commerce or law.

**17 January 2019 to 28 January 2019, strongest around 23 January 2019, Transiting Jupiter is Trine your Natal Sun**

Roger, this should be a comparatively relaxed and harmonious period for you. Whatever you want to achieve at this time you will. However, your successes now are equivalent to the efforts you put in. A problem is that you may be inclined to just kick back and enjoy the feeling of contentment associated with this transit. Travel, business or financial matters can all be beneficial now, if other factors support these. Also, you are presently well-aspected for making contacts with people who can help you socially or professionally.

**28 January 2019 to 9 February 2019, strongest around 3 February 2019, Transiting Jupiter is Square your Natal Venus**

Matters of the heart feature strongly now. You may become the object of someone's romantic desires, or you, in turn, could be smitten with another. Established relationships, too, can go through a period of increased warmth and affection. Alternatively, romance may not feature at all at this time; instead your life becomes a whirl of social engagements or pleasure seeking activities. You may be inclined to indulge yourself and over-spend on such things as luxury items, fine clothes or beauty products. If you are artistically inclined, this can be a successful creative period for you, with your work being acknowledged and respected by others. Travel for enjoyment and pleasure is favoured now, if affordable. Less positively, arguments caused by exaggerated expectations, negligence or differences of opinion can mar relationships. There can be conflicts in love.

**25 February 2019 to 17 March 2019, strongest around 6 March 2019, Transiting Jupiter is Sextile your Natal Pluto**

This is the "positive use of power" transit. You may find yourself, at this time, demonstrating that you have what it takes to encourage people to follow your lead. And they will, providing your intentions are for the common good. The secret to getting things done together with others is for you to lead by example, yet to remain one of the guys. However, should you set yourself apart from others, you will only end up feeling alienated. A person that you respect or who holds power may take a shine to you now.

**28 February 2019 to 22 March 2019, strongest around 9 March 2019, Transiting Jupiter is Conjunct your Natal Neptune**

Roger, at this time, you are especially susceptible to external influences and prone to seduction. You are at risk from viewing life and others through "rose-tinted glasses". Take particular care with "sure bets" and "get-rich-quick schemes", because there is a very real danger now that your ability to

make financial judgements is seriously impaired. Also, should this transit coincide with a medical concern, you could benefit from obtaining a second opinion. Positively, your inner and spiritual life is enhanced now; more so than at just about any other time. You have a great wealth of feeling and compassion, coupled with a deep and sincere desire to look after or help those in need. Your interest in metaphysical subjects is likely to grow now and you may experience unusual insights. If you are in any way musical, artistic or creative, you can expect your powers of inspiration and imagination to get a boost now. Travel under this influence is usually beneficial.

### **29 March 2019 to Beyond 30 Mar 2019, Transiting Jupiter is passing through Sagittarius**

Roger, you have a social or religious outlook on life, coupled with the capacity for deep and philosophical thinking. You are motivated by the desire for wisdom and the expansion of your personal horizons. Consequently, you are strongly interested in foreign cultures, travel and higher learning. You are an optimistic and positive person with a hearty sense of humour.

#### **Summary**

By and Larger, Jupiter's transit through Scorpio is going to remain very important for you. Use this report intelligently to your benefit. Guidelines given in this report will prove to be torchlight for you and will help you avail maximum advantage of this Jupiter transit.

Be Blessed,

*Astro Master*
