

A Scientific approach towards Astrology

---

### Question

My name is Kshipra Sarkar. I am career oriented person. I am unable to find necessary success in my field of work. Looking for job change and willing to go abroad. Please suggest when will I be able to find good job in a foreign country.

Name:- Kshipra Sarkar

Gender:- Female

Date of birth:- 19<sup>th</sup> May 1973

Time of birth:- 19 hours 20 min.

City of birth:- Jamnagar, Gujarat, India

### Answer

You are born with Scorpio Ascendant. Lord of the 10<sup>th</sup> house of career and success, is Sun. It is placed in the 7<sup>th</sup> house of your chart with slow moving planet Saturn. This indicates delay in career progress and it also creates obstacles in reaching to the top position in the organization.

To apply for job abroad, good time starts from last week of October 2017. Period between 23<sup>rd</sup> October 2017 and 11<sup>th</sup> March 2018 looks highly favourable for finding a good job.

During the period mentioned above, you will be able to find a very good job opportunity. Your employer will also help you a great deal during the said period. The same period you will also have opportunity to work abroad. You are suggested to apply for jobs during the favourable time period and make the most out of the suggested period.

### Remedy

You are suggested to wear Yellow Sapphire weighing 4 carats on right hand index finger. It should be embedded in gold ring. This will help you succeed in career and will also boost your finances.

Be blessed,

*Astro Master*
